Old Business

Thank You Notes: The Secretary asked the club members to be reimbursed for the \$6.75 cost of mailing thank notes to those individuals who volunteered their time as Event Directors, Judges, and Registration Desk operators. A motion was made, seconded, and passed.

Bill Ledden again proffered a Christmas Party invitation at his home in Erie. He will email complete invitations with RSVP to club members..

Fox Order – unfortunately no action had been taken on this item. The Secretary promised to write to Fox requesting the half-price purchasing sheet.

New Business

Officer Elections: being as there were no nominations and no new volunteers the current officers conceded to remain in office. The officers are...

President Tom Chambers
Vice-President Jerry Chambers
Secretary-Treasurer Bob Barthel

Tony Livaudais volunteered to be newsletter editor/coordinator asking for input from club members. Newsletter to be published monthly with the meeting minutes and additional articles included bi-monthly.

Announcements/Schedules

February 23, 2013 - "Wings Over The Rockies" annual model airplane exhibit. Larry Feuhrer let us know it is happening again. The club agreed to participate. Strong suggestions were made that fliers describing the club be available for distribution at the exhibit.

Adjournment: 8:10 PM

Show and Tell – Oops, I'll take notes next month about who brought what. Bob Barthel

Rich Jones, fired up and ready to go at the September Contest!

PROPOSED FIELD LAYOUT

The design shown below is a suggestion for the club to consider for what we might do to improve our site at the Mapleton Early Learning Center at 602 E 64th Ave. If there is interest from the membership, we would need to determine the feasibility and costs of such an undertaking before approaching the Mapleton School District for their approval. I have already requested assistance from a local contracting company to provide estimating information and will keep you informed. Meanwhile please contact me with your suggestions. The Mile-Hi R/C Flying Club in Strasburg has a similar field construction: <http://www.milehirc.com/fieldmap.htm>
